M E T A L  
D O M E

The word "METAL" is stacked above the word "DOME". Each letter is composed of a grid of small, glowing lights, with some lights being purple and others being yellow/gold. The letters are outlined in a dark grey color.

**Metal Dome Catalog**

**Update: 2020**

BEST TECHNOLOGY CO., LTD

---

## Company Profile

Best Technology Co., Ltd. was founded specifically to serve the membrane switch and related mechanical switch industries. As a professional metal dome and metal dome array manufacturer in China, we have years of experience in this line, and have top-quality products, competitive prices, prompt delivery and excellent after-sale service, guaranteed. We provide service to customers of both the domestic and international market.

Our production equipment uses the most advanced technology available, which, combined with our highly qualified management staff and researchers, contributes to the reliability and long-term stability of our product.

We also have a very good warranty policy to guarantee against any potential imperfections of metal domes and metal dome arrays. We strictly follow the operation procedures stipulated in ISO9001:2000 in respect to material purchasing, product manufacturing, testing, packing, marketing, etc.

Our continued effort to strive for quality, honesty, timely and innovation in our products will definitely help us improve our commitment to our customers in years to come.

We ensure to meet your special demands, both OEM and ODM orders are welcome. Please contact us today for more about information metal domes and metal dome arrays!

*Looking Forward to Hearing from You!*
